28 July 2015

Morning Nick

Hereby we at Bloemfontein Achilles would like to inform you that we were approached by our members and it was requested to return back to our own identity.

We as committee had a meeting on 23 July 2015, and it was agreed upon all attending the meeting that we are all in agreement to move from the Nedbank Running Club Group, and to host and compete from 1 January 2016 as Bloemfontein Achilles.

We would like to thank you and Nedbank to have been part of this journey, and we wish you and the remaining Nedbank clubs all the best for the coming years.

We will recon all of Nedbank branding with us and send it back to you in the next couple of weeks.

Please will you recon our account with the return of all the clothing that was send back to you.

Should there be anything outstanding we will contact you in that regard.

Yours Truly
