TO WHOM IT MAY CONCERN

I would hereby like to testify that on two occasions the parish of Durbanville has hosted the Alpha & Omega Seminars. This has been done with my permission and that of the Vicar General of Cape Town.

Part of my pastoral philosophy has always been often quoted, saying: "By their fruits you shall know them". The Alpha & Omega Seminars have borne good fruit in the parish with an increased sense of devotion to the Blessed Sacrament and deeper reverence in the reception of the Sacrament.

Another fruit that is obvious is the Adoration day which runs every Tuesday from after morning Mass until evening Benediction which enables many of the parishioners to have a weekly holy hour.

I can therefore in line with these fruits only recommend the Seminar to you for consideration.

Every blessing,

Father Michael van Heerden
Parish Priest
